

Next Steps

The following are the next steps for the Blue Water Bridge Plaza Study.

- Prepare the Draft Environmental Impact Statement (DEIS) – Spring/Summer 2005
- Hold a public hearing on the DEIS – Fall 2005
- Community Workshops on Appearance and Visual Issues – Winter 2006
- Complete a Final Environmental Impact Statement (FEIS) – Spring 2006
- Record of Decision (ROD) issued that officially selects an alternative for design and construction – Fall 2006
- Begin the Design Phase for the project

Blue Water Bridge Plaza Study
